

BE COUNTED!

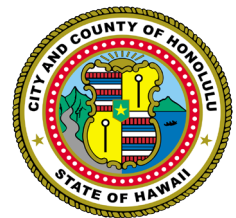

**Questionnaires will be sent out in March
Please look for them to fill out and mail back without delay**

The Census is a count of everyone living in the United States. The form is short, your answers are protected, and many benefits rely upon an accurate count.

It's Easy!

In 2010, every household will receive a short questionnaire that is simple and fast to complete and mail back.

It's Safe!

By law, the Census Bureau does not share your answers with anyone. Not even other government agencies.

It's Important!

Every year more than \$400 billion in federal funds are awarded to states and communities based on census data.
